Assalam Alaikoum:

Dear parents:

Welcome to the Sunday Islamic Education Program 2019-2020. We hope you all had a wonderful summer!

Registration for classes will take place on Sunday, September 8, 2019 at the Masjid from 10:00 A.M. to 1:00 P.M.

Classes will begin the following Sunday, September 15, 2019 at 10:00 A.M.

Late Registration will also take place on September 15, 2019 from 10:00 A.M. until 1:00 P.M.

As many of you may know, there has been a change of administration at the Sunday Islamic Education Program. Starting with the 2019-2020 program year and going forward, the program will be administered as part of the IALI and will be overseen by a Board of Trustees, many of whom are familiar to you and all of whom have served many years as teachers and administrators of the program. One of the first actions of the Board of Trustees was to appoint as Principal, Br. Sherif Abelaziz, an experienced and dedicated Professor at Stony Brook University. There will also be a revamped faculty which will feature an expanded roster of teachers; many of whom bring years of dedicated experience teaching in other Islamic educational programs, both in the United States and abroad.

Br. Sherif and his staff have worked diligently this summer to prepare for this upcoming school year. We are confident that the resulting revamped, consolidated and targeted teaching program will result in a more proficient and enriching Islamic educational experience for all our students. The resulting program protocol as well as a detailed roster of teachers and support staff will be made available on the Sunday Islamic Education Program's web portal. Details about how you can access the portal will be provided in a forthcoming e-mail.

On behalf of the Sunday Islamic Education Program, our Principal, and all the teachers and support staff, we extend a heartfelt welcome to all our returning students and parents as we, In cha Allah, move, together, into this existing new phase of Islamic Education!

Board of Trustees,

Sunday Islamic Education Program
