PLEASE NOTE THAT THIS SERVICE IS AVAILABLE ONLY FOR SELDEN MASJID COMMUNITY, RESIDING WITHIN 10 MILES OF THE MASJID AND IALI MEMBERS & THEIR IMMEDIATE FAMILY MEMBERS.

PLEASE NOTE THAT WE ARE NO LONGER RESERVING OR SELLING GRAVES IN ADVANCE DUE TO LOW INVENTORY. IN CASE OF DEATH WE WILL ISSUE THE GRAVE INSHA'ALLAH, BASED ON THE CRITERIA MENTIONED ABOVE.

WHAT TO DO IN THE EVENT OF A DEATH

Experiencing the death of a family member or loved one is indeed a very tragic and sad moment for any family whether here or elsewhere. However, if there is a loss in the family of our community, we at the Selden Masjid are here to assist and guide you throughout the whole process. We have worked hard to make this an easy flowing process as well as very cost effective to our community by negotiating with a local funeral home.

Immediately after the death has occurred, whether at a hospital/hospice/ home, the family should close the eyes of the deceased; the mouth and jaws are held gently with broad bands or pieces of cloths so that the mouth should not remain wide open. The body should be covered. and must remain covered preferably with a white sheet of cloth.

The first thing you need to do **FOR FUNERAL ARRANGEMENTS is to call Selden Masjid at (631) 732-1235 and select option (1)**, which will connect you to a Funeral Committee member to discuss Funeral arrangements and estimates costs. We suggest, you review the burial process as summarized below, before calling the Masjid.

Although you have the choice to choose any Muslim Funeral Home, however in case you like to have the Ghusl (body washing) of deceased performed at Selden masjid, we work with **Saint James Funeral home** (abbreviated **SJFH** after) located at **829 Middle country road, Saint James**. We have negotiated a discounted rate with them, as well as they understand and has agreed to give us priority to arrange quick burial, accommodating family wishes. **Please note, other Muslim Funeral Homes have their own**

- Funeral home will transport the body first to funeral home and then to Selden masjid at a scheduled time to perform the Ghusl, and Janaza salat.
 - Ghusl of the body is performed by a group of experienced and caring volunteers. **We highly encourage the participation of family members in this process.**
 - Shroud the body with cotton sheets (Kafan) which is provided by the Masjid
 - If the family and close friends would like to pay final respect to the deceased, it may be done before the Janaza salat. Delaying this till after the prayer will cause a delay to reach cemetery and will incur extra charges by the cemetery.
 - Imam of Selden Masjid will conduct the Janaza prayers unless family has their own imam to conduct the Janaza prayer. **Family is advised to arrange in advance with the imam in case his presence at WMP cemetery is needed to lead the burial and offer prayers.**
 - The State of New York requires for the deceased to be buried in a casket. To meet this requirement at a minimum, we utilize a flake board casket provided by Funeral Home.
 - Funeral home will transport the body after Janaza salat via hearse to WMP for burial
 - Those who are attending the burial may follow the hearse or go directly to WMP cemetery
 - Casket is lowered in the grave mechanically by the staff of WMP under the supervision of the family and loved ones.
